We are seeking to appoint an enthusiastic IT Technician to start as soon as possible. The successful candidate will join our team at an exciting time in the development of our school and ICT provision working towards a large building project in the coming years.

Under the direction of the ICT Operations Manager the successful candidate will support, maintain and develop all aspects of ICT across the school.

The ideal candidate should have relevant work experience and have knowledge of Microsoft Windows server/client systems, network architecture, computer hardware/software maintenance and Audio-Visual systems.

A sound knowledge of ICT in a school environment, good problem solving, and communication skills are essential. You will need to work well as part of a team.

The closing date for this position is 4pm Friday 27th April 2018.

For further details and an application pack please contact Mrs Teresa Shortland, HR Manager by email (recruitment@colmers.school)

Colmers School is committed to safeguarding and promoting the welfare of children and expect all staff and to share this commitment. The successful candidate will be subject to necessary pre-employment checks, including: an enhanced DBS; Childcare Disqualification (where applicable); qualifications (where applicable); medical fitness; identity and right to work. All applicants will be required to provide two suitable references.

This post is covered by Part 7 of the Immigration Act (2016) and therefore the ability to speak fluent and spoken English is an essential requirement for this role
