

## HOLIDAYS

Taking holidays during term time is one of the most disruptive occurrences in a child's education, after sickness.

**Colmers School will not authorise holidays taken during term time, as guided by Birmingham Local Authority's policy.**

## SO, WHY DOES ATTENDANCE MATTER?

Excellent attendance and punctuality are two of the most important elements of a successful education. This is because:

- If your child is not in school he/she is not learning.
- Every day lost is **five** hours of actual teaching and learning time in five subjects.
- Attendance ensures pupils keep up with the work and stay in touch with friends.
- Your child will achieve and feel they belong at Colmers if they attend every day.

***Employers and Colleges always ask about attendance and punctuality records because it shows a positive attitude towards school and work.***

### **Did you know?**

- 5 minutes late every day means around 3 ½ days of education are missed

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons

## WHAT IS THE LAW?

Parents/carers of each child of compulsory school age, that being 5 to 16 years, must ensure that he/she receives full-time education:

If a child of compulsory school age, who is a registered pupil at a school fails to attend regularly, his/her parents/carers are guilty of an offence. **The penalties upon conviction include all of the following:**

- i) Criminal record for parent(s)/carer(s)
- ii) Penalty Notice via Fast Track £60 - £120 (section 23 (1) Anti-Social Behaviour Act 2007) or
- iii) Fine of up to £1000 per parent/carer (Education Act 1996 Sec. 444, 1) or up to £2,500 per parent/carer (Education Act 1996 Sec. 444, 1A)

**Parent/carer condoned absence, truancy or even persistent absence without medical evidence will be addressed using the Local Authority Fast Track Programme.**

## GROUPCALL MESSAGING

- Where a reason has not been received for an absence, on the day of the absence by 10.00am, the absence will be followed up by the GROUPCALL electronic message system to parents/carers. The system requires the parent/carer to confirm the absence and provide a reason. By doing so, it also alerts you and the school to any potential truancy or simply that a pupil has *missed registration*. We would be grateful for your support and courtesy with regards to the delivery of this service.
- Pupils who have truanted will be expected to make up the time missed in detention or isolation and must catch up all the work missed.
- In some cases parents/carers could be prosecuted.

## WHAT ABSENCES CAN BE AUTHORISED BY THE SCHOOL?

- Illness – if your child is ill please contact the school on the **first and each** day of their absence
- Exceptional Circumstances – bereavement, court or **unavoidable** medical appointments.  
**NB: For an appointment - Pupils must provide an appointment card or appointment letter when either signing in or out of school.**

## WHAT ARE UNAUTHORISED REASONS FOR ABSENCE?

- Illness may not be authorised by the school if we are not satisfied with the reason, the length or the regularity of absence.
- Visits that can be arranged out of school hours, shopping, hairdressers, buying concert tickets, seeing relatives in hospital
- Birthdays
- Looking after other family members
- Waiting for deliveries at home
- “Family problems” unless properly discussed with school and authorisation is requested.

## REGULAR SHORT-TERM ABSENCES

**Pupils who regularly take one or two days a week off school disrupt their education because:**

- There is a lack of continuity in their work.
- Each time they return after a short absence, the rest of the class has moved on and they have been left behind.
- Such pupils are constantly having to ‘catch up’ and very often lose interest and give up.

This is what we call ‘condoned absence’; parents/carers too easily agreeing to their child having time off school for unconvincing reasons.

**Therefore, parents/carers may be asked for appropriate medical evidence before further absences are authorised by the school.**

## PUNCTUALITY

Alongside regular attendance it is equally important and compulsory that pupils arrive at school on time every day and ready to learn.

Each day a bell sounds at 8.43am with the expectation that pupils will be at line-up by 8.45am prompt. Pupils arriving to school after the gate is shut at 8.43am are considered to be late for school.

**There are sanctions in place to address lateness to school, including detention and in some cases isolation.**
