What will I Learn?
You will study 8 units: Human Lifespan Development, Working in Health and Social Care, Meeting Individual Care and Support Needs, Principles of Safe Practice in Health and Social Care, Enquiries into Current Research in Health and Social Care, Promoting Public Health, Sociological Perspectives and Psychological Perspectives.

Why choose Health & Social Care?
The qualification is intended to carry UCAS points and is recognised by higher education institutions as contributing to meeting admission requirements to many relevant courses. It can be taken alongside, for example:

- an A Level in Biology, which could lead to a BSc (Hons) in Nursing or Midwifery
- an A Level in Sociology, which could lead to a BA (Hons) in Social Work
- an A Level in Psychology, which could lead to a BSc (Hons) in Psychology.

Leads to careers in: Nursing, teaching, midwifery, social Work, early years & carers.
