

June 2021

Dear Parent / Carer,

I hope that you and your family are safe and well.

We are looking forward to your child joining us in September and are contacting you today about next steps for their transition.

Data Collection

We want to ensure we have the correct information for your child on our system before they start with us. If you have not already completed and returned the forms sent to you, please could you return these **by Wednesday 30th June**. If you do not have your forms, you will be able to find a copy on line from Monday June 21st on our school website using this link www.colmers.bham.sch.uk . Please note, you will not find anything about transition on the website until Monday June 21st.

It is essential we get this information from every student. Please contact school's Main Reception on 0121 453 1778 if you have any issues with any of the data forms.

Transition Arrangements

Unfortunately, we are unable to run our transition in person and so we shall now be holding our transition virtually.

Our **virtual transition** will launch on June 21st 2021 building up to our **virtual transition week** which starts on July 5th 2021. From June 21st:

- There will be a section on the website for you and your child to look at.
- It will be updated with videos, challenges and information each week.
- There will be an opportunity to send in questions for Mrs Wilcox (Head of Year 7) to answer. She will send out a video each Friday with the answers to your questions.

Further information will follow about our July 5th - 9th Transition Week.

Summer School

This year we are excited to be able to offer a Summer School. This will take place for two weeks in August. Week commencing 16th August and 23rd August. All children who are joining us in September in Year 7 are welcome to attend, however places need to be booked in advance. There will be a variety of activities taking place during the two weeks the details of the activities will follow. Each day will start at 8.30am and will finish at 3.00pm, a packed lunch will be provided each day for all children who attend. There is no cost to parents for children to attend summer school and it will be a great opportunity to get to know other children in their year group. Children can

attend for 1 week or for both weeks. To register your child's interest in attending summer school please use the following link and complete the details on the form, this needs to be completed by Monday 28th June.
